

ENG 101 — Research Essay: Assignment and Rubric

Write a 2,000–2,500 word researched argument. Your essay will be evaluated on the criteria below.

1. Thesis (20%) — clear, arguable and appropriately focused.
2. Evidence (25%) — at least six credible sources, including two scholarly, used accurately.
3. Analysis (25%) — explains how evidence supports claims; addresses counterarguments.
4. Organization (15%) — logical structure, effective topic sentences and transitions.
5. Style and mechanics (10%) — clear, concise prose with few errors.
6. MLA formatting (5%) — correct in-text citations and Works Cited.
